

WOOD RIVER COMMUNITY YMCA

Membership Guide

Welcome to YOUR Y!

From the time you walk through our doors, to the time you leave, we want you to feel welcome, relaxed and at home. This guide has been developed to help ensure that all who enter our facility enjoy a safe and comfortable environment.

YMCA Mission

The mission of the Wood River Community YMCA is to build strong kids, strong families and a strong community through programs that develop the whole person in spirit, mind and body.

Our Cause

Strengthening community is our cause. Lasting personal and social change can only come about when we all work together to invest in our kids, our health and our neighbors. That's why we focus our work in three areas:

Youth Development - Nurturing the potential of every child and teen.

Healthy Living - Improving your health and well-being.

Social Responsibility - Giving back and providing support to our neighbors.

Our Core Values

Four core values unite the Y as a movement with our cause. They are the shared beliefs and essential principles that guide our behaviors, interactions with each other and decision making.

Caring – demonstrate genuine care and compassion for each other

Honesty – truthfulness and transparency in all we say and do

Respect – honoring one another for all our differences and common beliefs

Responsibility – taking ownership for our actions and mission to strengthen community

Our Mission at Work – Scholarship Fund

Thanks to contributions from friends of the Y, financial assistance is available for people who have limited resources through our Scholarship Fund. Subject to available resources, every effort will be made to ensure that no person will be denied membership or program participation by reason of inability to pay. Contact the Welcome Desk to apply for a membership or program scholarship. Scholarships require annual renewal.

Scholarship funds are raised throughout the year. Every dollar is a 100% investment to our community and our future. Your contribution can make an incredible difference in the life of a child, a teenager, an adult, a family or an older adult. Please consider giving and helping us provide experiences that will last a lifetime.
