

Make-A-Splash Volunteers

Visit www.woodriverymca.org/get-involved/volunteer/ for a complete listing of dates and times to volunteer with Make-A-Splash.

Make-A-Splash is a free program offered by the Wood River YMCA to 2nd graders across the Wood River Valley. In partnership with the U.S.A. Swimming Foundation, non-swimmers and beginners are taught the basics, while more advanced swimmers hone their existing skills. Additionally, all children are taught proper water safety techniques in order to mitigate the risk of drowning, Idaho's 2nd-highest killer for children under the age of 14. For more information on Make-A-Splash, visit <https://www.usaswimmingfoundation.org/home/make-a-splash>.

All volunteers will fill out a volunteer application, and will consent to a background check/child abuse check conducted by the Treasure Valley YMCA, Boise, ID.

All volunteers will fill in their time accrued on a volunteer log provided by the Volunteer Coordinator; any signing off on hours/parole recommendations will be signed by the Volunteer Coordinator as well.

All volunteers will be subject to dismissal if in violation of Wood River YMCA policies, the volunteer application, or if any charges accrued during their service are in violation of Y-USA volunteer policies.
